

The Director

Bill:

The attached memo of 24 January discusses in some detail the steps which have been taken in an effort to improve public bus service to and from the Headquarters Building. This is a long-standing and frustrating problem, but I feel sure everything possible is being done to alleviate the situation. I will continue to closely monitor developments, and I have provided a copy of the report to the Chief, European Division, DDO, who wrote to you on 21 December complaining about the bus service.
